# duffle&co

**Here to carry you from work to weekend,  
we bring you handcrafted bags that don't  
compromise your values.**

Products that you choose for your customers say something about your brand. It's never been more important to make sure these choices are saying something good.

Each piece you buy from us creates positive social and environmental change. A feel good factor that your customers will love!

## About Us

Follow the journey below:

This certification means buying from us creates positive impact

**"Recruiting new customers costs five times as much as retaining current customers."**

Let us help your valuable clients remember you.

**“A customer talking about their experience with you is worth ten times that which you write or say about yourself.”**

Your clients' associates are your potential clients. Our bags are a walking marketing tool for your brand.

# Customise products to suit your needs.

**Empower people and the planet.**

## Climate action

The apparel industry accounts for more than 10% of global climate impacts....

We offset carbon emissions by 120%, leaving a net positive impact on the planet.

## Minimal waste

On average, 15% of fabric in the apparel industry ends up on the cutting room floor....

We use renewable and repurposed fabrics to minimize waste and promote a circular model.

## Fair wages

The average worker in the fast fashion industry makes at or below their country's minimum wage...

We pay our craftsmen over 2x the Indonesian average.

## Environmental restoration

Indonesia is one of the most biodiverse regions on the planet, is vital to the global ecosystem and home to 25% of global fish populations...

You can choose to plant mangrove trees to create fish breeding grounds and promote biodiversity. Let us know if you'd like more information.

# Communicate your impact with custom hangtags.

Would you like to plant trees? Showcase the number of mangrove trees you've planted, or simply add personal value for your clients with a customised hangtag that is hand signed by our artisans. Use our Duffle&Co hangtag or customise the below!

Pricing starts from \$0.50. For more information about adding trees to your order please talk to [sales@boostpromotions.co.nz](mailto:sales@boostpromotions.co.nz).

FRONT EXAMPLE

COMPANY NAME has  
chosen craftsmanship over mass  
production, climate positive design  
and a future that envisions  
a cleaner planet.

By wearing this bag, you're showing  
the world that you wear your values.

Each bag sold plants 5 trees

BACK EXAMPLE

**"We have enjoyed working with Duffle&Co, and are now regular customers. Their brown bags are a real hit! The quality of work is fantastic and to be able to help the families from not so fortunate countries is an added bonus."**

**– Alexandra Whitley, GLMD/SsangYong**

"It was so easy working with Danny and his team. No ask too big with a "can do" attitude."

- InterContinental Wellington

"Danny and the team have been a pleasure to work with from a quick product review, proofing designs, confirming fast delivery to receiving the products on time and as expected."

- Hewlett Packard Enterprise

"We are so so happy with the products we have received, so much so we have ordered for another 2 clients and many more to come!"

- cievents

"The bags were packaged in cloth bags and clearly conveyed their sustainable message - this was something that we valued passing on to our recipients."

- Spark Arena

"Will use again."

- Bus and Coach Association

"The product was very well received, it is extremely high quality and everybody was especially fond of not only the beauty of the products but the values and initiatives the company undertakes for the planet."

- Tara Iti

"It's a great gift that is still being used by all. Great customer service from the team throughout the process and afterward. Will definitely be back."

- Industrious Property

"Enjoy the product range and quality, as well as the sustainability."

- Melior Genetics

**Our Story.**

Duffle&Co was founded in 2015 as a way to empower the underdog, giving talented craftsmen across the world a fighting chance to support their families and local communities. By utilising traditional crafting techniques, we provide fair and ethical employment and opportunity for career growth in supportive, healthy environments. It's because of this, and the below that we are a certified B Corporation.

As a climate positive brand, we also take environmental stewardship seriously, implementing tree planting and circular economy initiatives.

By working with us you've chosen to support circular design, craftsmanship over mass production, and you've chosen a future that envisions a cleaner planet. By working with us, you've chosen to challenge the status quo!

## Thank you!

From the team at Duffle&Co

# We'd love to hear from you!
